

2. Kolokvij – zadatak:

Potrebno je napraviti strukturu i dizajn web stranice (HTML + CSS) prema primjeru sa slike ispod.

NAPOMENA: Konačno rješenje ne mora izgledati **identično** kao primjer sa slike – ona služi samo kao predložak po kojem ćete napraviti vlastitu stranicu. Cilj je samo da elementi stranice budu posloženi slično kao na primjeru. Prilikom ocjenjivanja glavni kriterij nije sličnost sa zadanom slikom već koliko ste različitih elemenata koje smo obradili kroz semestar iskoristili prilikom izrade stranice. Prema zadanom primjeru sami morate odrediti HTML strukturu stranice. Također, tekst i slike u rješenju **ne moraju** odgovarati tekstu (možete koristiti bilo koju sliku).

U popisu ispod su navedeni koncepti koje smo prošli na vježbama i koje morate iskoristiti za izradu rješenja:

- Ispravnu HTML strukturu
- Blok i linijske elemente
- CSS datoteku sa
 - Primjerom različitih mjernih jedinica
 - Različitim vrstama selektora
 - Box-model svojstvima
 - Primjerom pseudo klase
- Glavni raspored elemenata mora biti implementiran pomoću Flexboxa
 - Pokušajte iskoristiti što više mogućnosti (svojstava) Flexboxa
- Pojedinačni element pozicionirajte sa apsolutnom ili relativnom pozicijom
- Dodajte *media* upit koji će za manje dimenzije ekrana promijeniti raspored elemenata na ekranu – konkretnu promjenu možete sami odabrati, samo mora biti vidljiva kod promjene širine ekrana
- Učitajte i iskoristite neki vanjski font na stranici

Primjer izgleda web stranice se nalazi na stranici ispod:

- 96  **Get Shorty (Chili Palmer, #1)**

An interesting list, but really notable for it's absences. Henning Mankell doesn't make an appearance until #412 (as of Oct 17th, 2008), but his fellow Scandinavians, Indriadson, Nesser, Fossum, Ericksson, et. al. don't make an appearance at all. It's safe to say that, for one example, every of Nesser's books is superior to John MacDonald, just to name one author. I'd say he's better than Chandler, Christie, Stout, Hammett and many others. Also, the fact that anything by Dan Brown is listed as number 2 is just disturbing to me.
